

Selection Committee Recommendation and Board of Directors Announcement

Date: January 26, 2024

Today, USA Shooting announces that its Selection Committee recommended, and the Board unanimously voted to re-affirm the 2024 Shotgun Olympic Selection Procedures as originally written and approved.

The process was arduous, involving a comprehensive review of voluminous documents, interviewing multiple NGB high performance professionals and attorneys, spanning multiple weeks, and including much debate, discussion, serious contemplation, and ultimately a unanimous recommendation to the Board of Directors.

The process was executed in accordance with the USA Shooting Bylaws, signifying good governance and strong leadership at the Board level.

Our hope is that we can now pull together to field the best possible Olympic and Paralympic Teams and support our athletes and Team USA on its way to Paris.
